Arnsberg Bolero sconces shine with a super sleek futuristic appeal. Their low-profile design makes them perfect for adding a little extra light to any space. Choose from chrome, satin nickel or Indian gold finish. Uses superior OSRAM SMD LED lights with exclusive Opto Semiconductor. These LED lights are smaller, more efficient and put out more light! Bolero also has exclusive Quattro dimming, which means no dimmer switch is required. You can choose from four different levels of light with just the flick of a light switch. Arnsberg offers meticulous German engineering to beautify your home.
